SUGGESTIONS TO PARENTS

Dear Parent,

Greetings from SIMATS Engineering.

Your ward, K Mohammed Misbahuldin, resumed classes after the Mid-semester holidays. No tests or evaluation activities were conducted during this week, and the previous semester examination results are expected to be announced soon. Best wishes to your ward for a successful MS2 semester.

Regular attendance from the beginning of the semester is encouraged. Your ward is also advised to actively participate in co-curricular and extracurricular activities such as hackathons, coding competitions, technical workshops, seminars, sports, clubs, and other campus activities to strengthen technical skills, confidence, teamwork, and overall development.

SIMATS ENGINEERING

MENTEE RESPONSE

I will attend classes regularly from the beginning of the semester and stay focused on my studies. I will also actively participate in hackathons, coding competitions, workshops, seminars, sports, clubs, and other campus activities to improve my technical skills, confidence, teamwork, and overall development.

PARENT'S RESPONSE

We are happy to know that our ward has resumed classes for the new semester. We will encourage and support regular attendance, sincere academic preparation, and active participation in co-curricular and extracurricular activities for his overall development.
